Hi Valois and Omar –

We've gotten the first request to write up issue papers for the new RA (still TBD who that person is or when he/she would start). On the list of requested topics include:

- UIC Class V proposed permit denial in SD - Omar
- Dewey Burdock UIC Permitting - Valois
- NDIC UIC Class II Program Review – Douglas
- FBIR Water issues (UIC, NPDES, DW) – Sarah

Can you please help draft something on these topics? I attached the template for these papers. Given how much things will change on each of these projects, I recommend you just loosely outline some upcoming milestones as those will all change.

Please send your drafts to me and Douglas by **noon on Thurs, 3/2**, or let me know if you will need more time.

Let me know if you have any questions.

Thanks!

Sarah
